- White Linen, 5 ½" x 4 ¼" Fold Over Card
- Medium Happy Valentine's Day Template
- Medium Cupid-Heart Template
- Medium Heart Border Template
- Flesh Chalk
- Yellow Chalk
- Rose Chalk
- Clear ultra-fine glitter

Use the embossing tool to trace the lettering. Lay the Cupid-Heart template on your align a card and center the Cupid under the Happy Valentines Day. Trace around the Heart and arrow shape of the template to make the frame and then trace the Cupid. Emboss the Heart border along the bottom of the card; put the edge of the card along the edge of the template. to make the border long enough to go the width of the card lay the last heart completed on top of the first heart on the template and continue the card as shown. Add color with Chalk. Use your rose chalk to color the Hearts and the Happy Valentines Day, Flesh Chalk for the body of the cupid, Yellow Chalk for the cupid's hair, and brown chalk for the bow and arrow as shown.
